WHY THE Y DAY CAMP?

YMCA day camps create experiences that last a lifetime. Our intentional approach to day camp is based on the principles of YMCA Healthy Child Development, and the Y values: caring, honesty, respect, responsibility and inclusiveness. Our staff, many of whom have been campers in the past, have a criminal record check, Standard First Aid and CPR, and complete a week of safety oriented training to ensure your children receive the highest level of care you expect. YMCA Day Camp is the best way to play, build relationships and start to develop a healthy lifestyle like no other day camp.
